

RUBA Thermoplast AG

your top cap supplier &
professional toolmaker

Zuzgen, 29.01.2025

**EC Directive no. 1907/2006/ „REACH-Directive“
„SVHC-Substances“**

We, the company RUBA Thermoplast AG, are pleased to confirm, that our products do not contain any so-called SVHC Substances according to the candidate list (issue 21.01.2025).

echa.europa.eu/de/information-on-chemicals/candidate-list-substances-in-articles-table

To ensure the supply with raw materials and masterbatches for our production, we have regular contact with our suppliers.

Information regarding the status of the REACH-directive can be found here:

www.echa.europa.eu
